FINANCE FOR HR TRAINING

Date	Time	Duration	Venue	CPD	Cost (EXcl. VAT)
17th Jun, 2023	08:30 AM-11:30 AM	3 Hour(s)	Webinar, Zoom	1	1,500.00

Course Overview

Finance for HR Professionals' course will provide valuable insights into the corporate financial structure, key financial responsibilities, and financial statements. Components of the balance sheet and income statement will be described and analyzed to gain insight into company performance. With an understanding of the financial side of the business, you can gain valuable insight into your own company's strategy and can make your HR department an indispensable component of your organization. In addition, this course will show how HR can use financial measures in building the HR business case and be comfortable talking about the financial impact of HR with key decision makers. Finance is both an art and a science and you will learn how to make the most of the financials for the benefit of the business. Local case studies and examples will be incorporated into the course.

Course Objectives

By the end of this program, participants will be able to;

- 5 Critical Elements of business acumen.
- Why business acumen is essential to HR Business partners.
- Financial acumen – Why you need to know about finance.
- Benefits of financial knowledge.

Target Groups

This training is suitable to a wide range of professionals but will greatly benefit;

- HR Professionals
